

Kodiak

Mt. Diablo Silverado Council will be conducting a Kodiak X, Venturing Leadership Course on Nov 20 and 21, 2010 at Camp Herms. Kodiak X builds on the commissions of the Kodiak experience. It is one thing to teach leadership skills: it is another to put those skills into practice. That is Kodiak X. It is a weekend leadership challenge course. You will start on Saturday and each participant will have an opportunity to lead his or her group through a leadership challenge. Over the weekend you will learn two new commissions. This course will be limited to 32 participants. Each participant must have completed a Kodiak course as a prerequisite to taking Kodiak X.

Cost for this course is \$30.00 each.
